# Kyloe

Introducing Kyloe by Aqualla - a chic collection of taps, showers and accessories inspired by industrial styling and crafted to add a designer feel to your bathroom.

With an unassuming aesthetic charm and luxurious diamond-cut cross knurling detail, the Kyloe range offers a subtle nod to the turn-of-the-century industrial era.

Available in three distinctive finishes; Brushed Nickel, Matt Black, and Chrome, including EasyFit kits to reduce installation time, this range was designed to be both functional and beautiful.

A modern interpretation of the industrial era, Kyloe allows for true personalisation of your bathroom space.

### Policy of Continuous Improvement

Aqualla Brassware Ltd will continually strive to achieve the highest level of quality and improvement of products.

Aqualla Brassware Ltd reserves the right to alter or amend any product specification without prior notice to its customers. Colours are as accurate as the printing process will allow.

### Payment and Ownership

The goods shall remain the property of Aqualla Brassware Ltd until the Buyer has settled the invoice in full.

Aqualla Brassware Ltd will be entitled to repossess the goods and enter onto any premises where the goods may be located if the Buyer breaches the contract in any way. This includes acts of insolvency, bankruptcy, attempts to make arrangements with any creditors or any petition passed to a Receiver or a Court.

If Aqualla Brassware Ltd is placed in any situation where it has to repossess its products, the Buyer will be liable to pay the difference between the price of the goods and their value on repossession.

Should Aqualla Brassware Ltd be entitled to repossess goods and unable to do so for any reason, the Buyer will pay to the Seller the full purchase price as per their invoice.

Any discount offered to the customer is detailed on the invoice.

### Product Care

Aqualla recommend that you do not use any abrasive sponges or scouring agents for cleaning. We also advise that you do not use cleaning agents containing abrasives such as solvent or acid, limescale removers, household vinegar and cleaning agents with acetic acid in them.

Damage to the surface and underlying material resulting from improper treatment is not covered by warranty.
