

AQUALLA®

Crafted to add
a designer feel to
your bathroom

Crafted to add a designer
feel to *your* bathroom

Introduction

Drawing on many years combined experience in the industry, Aqualla offers a unique range of bathroom components, blending distinctive designs with practicality for both classic and contemporary living.

To demonstrate our commitment to our customers, we offer a 12 year warranty on all of our chrome taps, showers and accessories, and a 5 year warranty on all of our special finish taps, towel warmers, radiators and mirrors. This brochure is designed to give you a complete overview of our product portfolio, and we have included a water drop beside each tap and shower product, indicating the minimum working pressure required.

For Example:

-  0.5 bar is equal to 5 metres
-  1.0 bar is equal to 10 metres
-  2.0 bar is equal to 20 metres

A bar being equivalent to the vertical distance measured in metres from the base of the storage tank to the tap or shower head.

| PRESSURE KEY | |
|--------------|-----------------|
| 0.2 | Low Pressure |
| 0.3 - 1.0 | Medium Pressure |
| Above 1.0 | High Pressure |

Full product range and technical information available at www.aquallabrassware.com

Warranties

TAPS
come with a
12 year warranty

About Aqualla

Headquartered in Newtownards, Aqualla are a dedicated team of bathroom brassware specialists pooling many years of experience to service customers throughout Ireland and the UK.

By specialising in a niche market, not only are we able to offer our customers the very best in product choice, quality and value; with Aqualla, you receive a 'local' service from start to finish; from design, marketing and logistics, to sales, customer service and support.

That's why customer satisfaction is at the forefront of everything that we do, and why we're so proud of the service we offer.

Introduction to Design Collection

Transform your bathroom into a haven of style and tranquillity with our Design Collection.

Featuring freestanding bath shower mixers, bath fillers, and wall mounted taps; this collection is a clever blend of sharp lines and modern curves, crafted to add a designer feel to your bathroom.

Our Design Collection features seven exclusive tap ranges combining style and elegance with unique design to add a touch of luxury to your bathroom.

Introduction to Shower Collection

From drench showers to dual flow showerheads and concealed valves, our collection of shower mixers is a modern blend of design, quality and style, forming a unique centrepiece in your bathroom.

Aqualla shower valves have been specially designed to ensure maximum flow.

Key features of the concealed valve include:

- 4mm thick brass plate and brass handles
- Single piece body to prevent leakage
- Front access valves and filters for easy cleaning
- 1/2 inch outlets and 3/4 inch inlets to ensure maximum flow
- Flat base allows for a solid fitting, preventing vibration

Our showers are available for upgrade to smooth hose.

For ease of installation, Aqualla exposed showering options come complete with FastFix brackets.

All our showers and components come with a 12 year warranty.

*All Shower Valves are
Thermostatically Controlled and
have T38 Anti-Scald Technology*

Introduction to Your Choice - Components

At Aqualla, we know that every single one of our customers is unique, and this extends to their choice of shower.

That's why with the Your Choice range, you design your own shower package; exactly how you want it.

Simply follow the steps below:

- Select your valve style
- Choose 1, 2 or 3 outlets depending on how many water functions there are
- Select your shower head and arm
- Select a slide rail kit, or a wall outlet and handset holder kit

Please note that dual flow shower heads need a shower valve with at least 2 outlets. If you choose to add a separate accessory such as a slide rail kit, you'll require a shower valve with 3 outlets.

Universal Accessories

Introduction to Towel Warmers & Radiators

Add a touch of luxury to your bathroom with one of our towel warmers; from classic traditional to ultra-modern which features our exclusive Aromawell technology.

Our Aromawell feature is a specially crafted well within the radiator, which holds aromatherapy oil and gently releases the scent when the heating is on - An opulent addition to any bathroom.

Turn your bathroom into a haven of tranquillity, for body and mind.

All of our towel warmers are compliant with EN442 standards.

All our towel warmers, radiators and valves come with a 5 year warranty.

Constant Power (Electric Element Only)

Constant Power (Including T-Piece for dual fuel option)

Please see table below to find correct size for your towel warmer

| Towel Warmer | Size (mm) | Electric Element Required (W) | Product Code | Thermostatic Element Required (W) | Product Code |
|--------------|------------|-------------------------------|--------------|-----------------------------------|--------------|
| Cruise | 1200 x 600 | 600 | EE600 | 600 | TE600 |
| Zen | 1200 x 600 | 600 | EE600 | 600 | TE600 |
| Luca | 800 x 500 | 200 | EE200 | 300 | TE300 |
| Luca | 1200 x 600 | 400 | EE400 | 600 | TE600 |
| Luca | 1500 x 500 | 500 | EE500 | 600 | TE600 |
| Luca | 1500 x 600 | 600 | EE600 | 600 | TE600 |
| Luca | 1800 x 450 | 600 | EE600 | 600 | TE600 |
| Luca | 1800 x 500 | 600 | EE600 | 600 | TE600 |

T-Piece Chrome T-PIECE

Flat and curved bar radiators of the same dimensions in the Luca range require the same wattage element.

Introduction to Mirrors

Aqualla's collection of 17 mirror styles include features to suit every bathroom; such as Bluetooth connectivity and ambient colour change options.

All mirrors are fitted with a heated demister pad to prevent condensation when the mirror is switched on and use 5mm safety backed glass. At Aqualla we understand that each customer's style requirements are different, which is why we offer portrait or landscape fitting options throughout our range.

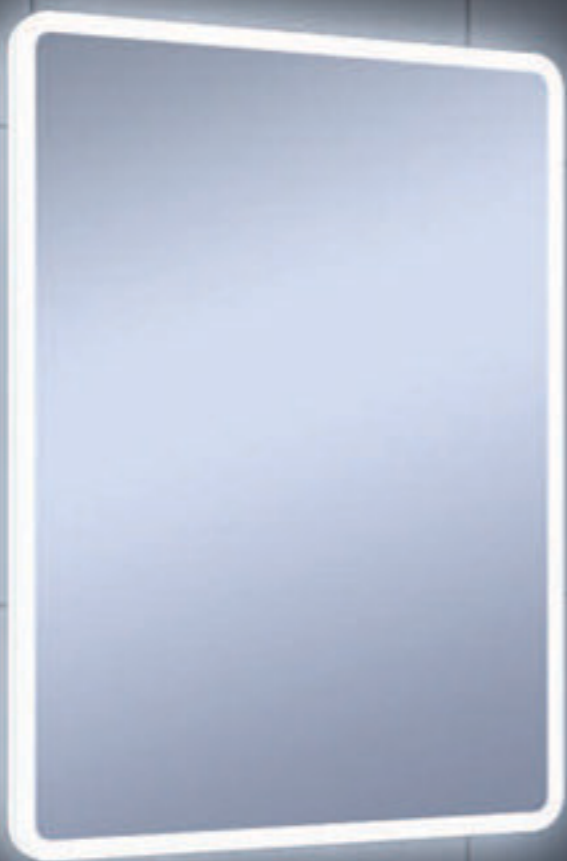

All mirrors and mirror cabinets are IP44 rated.

All our mirrors and mirrored cabinets come with a 5 year warranty.

All mirrors with infrared on/off sensors require a minimum 150mm clearance from the sensor to any surface.

Terms & Conditions

Aqualla Brassware Ltd Terms and Conditions of Business

The under noted terms and conditions of Aqualla Brassware Ltd supersede all previous company terms and conditions unless otherwise agreed in writing by a Director of Aqualla Brassware Limited.

Definitions

The seller is Aqualla Brassware Ltd.

The buyer refers to the Company or persons by, or on behalf of, whom the order is generated.

Goods refer to items described on the Seller's brochure, invoice or delivery note.

Quotations

Aqualla Brassware Ltd's quotations are provisional in so far as they are subject to change due to any fluctuation in the price of raw materials or exchange rates.

Delivery

Aqualla will endeavour to deliver its products by an agreed date but will not be liable for any failure to deliver on the agreed date.

Collection by the Buyer or an agent will constitute delivery.

Warranty

Taps and Showers: Aqualla Brassware Ltd chrome taps and showers have a 12 year warranty (2 years parts and labour / Remaining 10 years parts only).

Special Finishes (Fuse Black & Ramore): All Aqualla Brassware Ltd special finishes have a 5 year warranty, (2 years parts and labour / Remaining 3 years parts only).

Towel Warmers: All Aqualla Brassware Ltd towel warmers have a 5 year warranty (2 years parts and labour / Remaining 3 years parts only), and Aqualla Brassware Ltd valves have a 2 year warranty.

Accessories: All Aqualla Brassware Ltd accessories have a 12 year warranty, (2 years parts and labour / Remaining 10 years parts only).

Radiators: All Aqualla Brassware Ltd radiators have a 5 year warranty, (2 years parts and labour / Remaining 3 years parts only). Electric heat elements have a 2 year warranty.

Mirrors: All Aqualla Brassware Ltd mirrors have a 5 year warranty, (2 years parts and labour / Remaining 3 years parts only).

Aqualla Brassware Ltd will make a discretionary decision to either replace or repair, at their own expense, defects in goods arising from faulty workmanship provided that the Buyer will have given written notice to the Seller as soon as is reasonably practical. Aqualla Brassware Ltd's liability in respect of any defect will be limited to the repair or replacement of the goods in question and if damage or loss occurs to the goods in transit, the Seller shall repair or replace the specified goods provided that notification is made in writing within seven days of the goods being dispatched from its premises.

Policy of Continuous Improvement

Aqualla Brassware Ltd will continually strive to achieve the highest level of quality and improvement of products.

Aqualla Brassware Ltd reserves the right to alter or amend any product specification without prior notice to its customers. Colours are as accurate as the printing process will allow.

Payment and Ownership

The goods shall remain the property of Aqualla Brassware Ltd until the Buyer has settled the invoice in full.

Aqualla Brassware Ltd will be entitled to repossess the goods and enter onto any premises where the goods may be located if the Buyer breaches the contract in any way. This includes acts of insolvency, bankruptcy, attempts to make arrangements with any creditors or any petition passed to a Receiver or a Court.

If Aqualla Brassware Ltd is placed in any situation where it has to repossess its products, the Buyer will be liable to pay the difference between the price of the goods and their value on repossession.

Should Aqualla Brassware Ltd be entitled to repossess goods and unable to do so for any reason, the Buyer will pay to the Seller the full purchase price as per their invoice.

Any discount offered to the customer is detailed on the invoice.

Product Care

Aqualla recommend that you do not use any abrasive sponges or scouring agents for cleaning. We also advise that you do not use cleaning agents containing abrasives such as solvent or acid, limescale removers, household vinegar and cleaning agents with acetic acid in them.

Damage to the surface and underlying material resulting from improper treatment is not covered by warranty.

General

No corrosive substances are to be placed into Aqualla Aromawell as this could be hazardous to your health.

Proof of purchase will be required for all warranty claims.
